Each Governing Body should arrange for a register to be held at the school for the purpose of keeping a record of the pecuniary interests of each member of it's members.

The register must be open to public inspection and audit, free of charge, at reasonable times e.g. office hours

The Governing Body should make arrangements for the register to be kept up to date. It is suggested that this should be done annually by asking each Governor to governor to complete and return a form. You should, however, note that it is the responsibility of the individual to ensure their entries in the register are up to date and accurate.
