Current School Attendance: 96%

Target Attendance: 96.5%

Friday 9th March 2018

Dear Parents and Carers

We apologise that we had to close the school last Friday due to the weather, this was not a decision taken lightly, especially as we know that we disappointed so many of our children who missed out on their World Book day and the chance to dress up as their favourite book character.

We shall be dressing up as our favourite book character on **Thursday 29th March.**

Staff news

I am delighted to welcome Charlie Hill to the school office team. She has already settled well into the office team.

I would also like to congratulate Mrs Tranter, a Learning Support Assistant in Year 1, who is expecting a baby later on this school year.

Visitors Into School

This week we were joined in assembly by Gareth Irvine who is the Reverend at St Laurence's church. He reminded the children of the importance of asking for help when they are finding it hard to make the right choice or when they are feeling afraid. Our children shared the trusted adults at home and at school that they can ask for help from and Gareth reminded us that we could also ask help from God.

Later on in the week we welcomed back into school Malcolm from Severn Trent water who reminded the children of how important it is to save water and to use it carefully. The children learnt where water comes from and how water is cleaned ready for us to use.

Book Week

Many thanks to all of the parents (over 160 of you) that came into school to find out how we encourage your children to read and how we teach reading at Courthouse Green. We had some fantastic feedback from the parents that came in who found the session really useful and supportive. You said that what you particularly liked was the opportunity to see your child learning in the classroom.

"I enjoyed seeing my children in their learning environment, it helps me to understand how they are being taught and age appropriate learning that I can do at home"

"The children were so well behaved and worked so hard"

Year 1 Trips

Next week Y1 children have two visits out of school – the first is to take part in the Coventry School’s ‘Morning of Music’ where they will join with children from other schools to share songs and create musical pieces. They will also be going to Brandon Marsh to explore plant life. Taking children out on visits is such an important part of their learning and really helps us to make their learning really exciting. Thank you so much to all our parents who contribute to willingly to ensure that these trips can go ahead – we really do appreciate your support!

Behaviour on and around the school site

We very politely remind all our parents and visitors who come onto the school site that we very much expect you to follow our school code of conduct:

- * Treat all adults on school site with respect and show this through your speech and behaviour
- * Do not use loud or offensive language or swear at any member of school staff or another parent
- * Do not use or threaten physical force against any adult or child
- * Do not approach other children or parents to resolve issues that have occurred in school
- * Always be a good role model to your child

It is vital that we act and behave appropriately at all times in front of our children. Sadly we will have no alternative but to ban parents from school if we believe their behaviour to be inappropriate.

Y3 Trip

Y3 are visiting Plantasia today exploring this tropical haven of plants and animals helping children to understand the importance of the rain forest and the eco system.

I know that the children are going to have a wonderful day.

Eggciting Egg Decorating Competition

All children are invited to take part in our Egg Decorating competition. All you have to do is decorate a hard boiled or blown egg in any way that you like and bring it into school on **Monday 26th March** ready for the judging of the competition. There will be 3 prizes given out for each year group.
