Target Attendance: 96.5%

Friday 18th May 2018

## Dear Parents and Carers

What a lovely week it has been! The sun's been out, the smiles have been beaming and all the children (and staff!) have been working their socks off. Y6 have particularly wowed us – this week they have had their SATs tests and the effort and continued commitment they have shown to do their best has been quite awesome – we are so very proud of them all!

It has been fantastic spending time in classes this week, and the progress that we are seeing in books is just amazing. I have had so many children come to visit me in my office achieving their pen license as a result of their effort to present their work to their very best standard, it has been a pleasure reading through their work and talking to them about their learning.

We have had two external visitors into school last week, both of whom praised the children for their attitudes to learning, the effort they are putting into their work and the quality of work that they are producing. I feel so proud of all our staff and children for continuous strive that they have to ensure that our children make the very best progress.

### Staff news

I am delighted to share that Mrs Dass (Y4) has had her baby, a very cute baby girl, we eagerly await meeting them both.

*Mrs Malam*

## Y5 Trip to Skern Begins

Today we wave off Y5 who are leaving us to go to Devon for their residential – fingers crossed that we get lots of lovely sunshine whilst we are away!

## GDPR

You will have heard all about the General Data Protection Regulations in the news and Courthouse is getting itself ready for the official launch of it on 25<sup>th</sup> May 2018. We have a new Data Protection policy and have new systems in place to ensure that our practice reflects the new regulations. The policy will be on our website from 25<sup>th</sup> May 2018. This will of course bring with it many changes to school practice which we will be notifying you of in due course.

## Conkers Spaces

There are some 2 year old funded places available in Conkers Nursery for September 2018. Children need to be 2 years old before September, and have a 2 Year Old Funding voucher from [www.coventry.gov.uk](http://www.coventry.gov.uk) to prove eligibility. Please call into the school office to place your child's name in the 2 year Nursery book to receive an application form in June.

## Vision and Values

We have recently reviewed our vision and values which will be officially re launched with all of the children and staff in September but I also wanted to share them with you. Our vision for our school and the education that we provide is core to everything that we do:

**Every child in our school will receive the very best learning opportunities to enable them to achieve excellent personal and academic growth, through a rich and challenging curriculum.**

We also have core values that we expect all children and staff to model and demonstrate at all times because we want the best for each and every child:

- ◇ Act with kindness
- ◇ Work with pride
- ◇ Be resilient
- ◇ Collaborate together
- ◇ Strive to improve
- ◇ Take responsibility

These values and our vision underpin our curriculum and all that we do in school.

## Wraparound

Places are still available before and after school in our Wraparound provision.

**Mornings - 7.45am - 8.45am - £4.00**

**Afternoons - 3.15pm - 5.55pm - £9.00**

Please contact the school for further details.

## Assemblies

Friday 25 <sup>th</sup> May	Skern Lodge
-----------------------------	-------------

## Dates for Spring Term

W/C 21.05.18	KS1 SAT's
24.05.18	School Disco
W/C 28.05.18	HALF TERM

## Sun Protection

As we have had some beautiful warm weather recently, can I please remind all parents to ensure that your child's water bottle is named and in school. It is also useful for them to bring sunhats, which staff will remind them to put on during breaks and lunchtimes, and in PE lessons if required. We ask you to ensure that a strong-factor sun cream is applied in the morning before they come to school so that they can go out at play and lunch to enjoy the weather.

## Health and fitness

Your children may have shared with you that each Friday at 2.45pm all of the children from YR to Y6 stop learning to take part in our mile run. This is such an enjoyable, positive end to a busy week of learning and it not only promotes health, fitness but also well being.

## Thursday 24th May - School Disco

The PTA have launched the sales of tickets this week for the School Disco. Tickets are £2, and are available to buy on the playground before school. **These will only be on sale until the 21st May.**
