

# All about Nursery

It is the beginning of children's final half term in Nursery and what a busy one it is. Thanks to all the parents for all your support during the last terms. The children are developing everyday and are accessing all the areas of learning. Our summer 2 topic is going to be on Mini beasts, Holidays and the seaside. We have had an exciting start this week with children learning and retelling our story 'The Bad Tempered Lady bird'. These are the books we will be focusing on in Nursery: The Bad Tempered Lady-bird, The Very Busy Spider, the magic beach, Barry's Fish fingers and Emergency.

There is lots of fantastic writing happening in Nursery, please look at our proud clouds and our WOW displays.

## Reminder:

On sunny days, please remember to apply sun cream before your child comes to Nursery. If you could also send your child with a hat as we spend most of our learning time outside.

While the children have been working hard to earn gems for our class treasure box. We have also seen the responsible chart reinforcing the children's good choices and behaviour. We hope to keep collecting the gems and comparing our weekly treasure total with the other classes in the school.

## Up coming events:

- 27th June- Ryton pool with the morning children.
- 30th June —Ryton pool with the afternoon children.

## Well done!

Most of our Nursery children are able to identify their name and self register. This has also helped most of the children to identify letters of their names and start to write them.

On Wednesday the 29th of June parents of children who have a Reception place for September will be invited to come for a parent's meeting at school for a short presentation and this will give you a chance to meet your child's new reception teacher and the children's learning environment.

We looking forward to an exciting summer term. All the children have made a brilliant start to their learning at Courthouse Green this year and we all wish them every success as they move forward to Reception

Thank you.

From the Nursey team
