Uniform Reminder

Can you please ensure your child attends school wearing the correct uniform, and that all items are labelled. If your child brings home an item with another child's name in it, please can this be returned to school.

Can we also ask that now Winter is fast approaching, that your child has a warm coat to wear, and also hats and gloves for the colder days.

Firework Safety

Please ensure your children are kept safe during any displays at home or publicly. Fireworks can be extremely dangerous if not dealt with carefully. More details can be found at:
