

Children from the Base, Nurture and a few from Y4 went to Warwick University on Friday to look at the sculptures there. Sculpture is a type of 3D art that uses wood or metal or plaster.

Miss Chippendale and Mr Evans graduated from university last week, they had to wear a gown and a mortar board and received a certificate as proof that they had successfully completed their degree to become a teacher. It was a very special day for them – Mr Evan's mum took time off from work to watch the ceremony.

## Question

**What do these sculptures make you think of?**

## Questions:

- **What qualities would they need to show to become a teacher and to go to University?**
- **How would Mrs Evan's be feeling?**
- **How do you think this benefits them ?**
- **How do you think they felt when they succeeded in this challenge?**

**Severe weather in the UK last week**

## Questions:

**What weather did we have last week?  
Why do some people not like the snow?  
What is a flood warning?  
What causes flooding?**

## Happening in the world

As you know Donald Trump has become America's new president. As planned, on 20<sup>th</sup> January his presidential career will begin. Barack Obama made an emotional farewell speech on 10<sup>th</sup> January.

This made a lot of people sad including Obama himself. Some are celebrating, whilst others are not happy about the change.

### Questions

- How do you feel about Donald Trump becoming America's new president?
- Do you think America needed a new president?
