DEVELOPING LEARNERS

Welcome to Courthouse Green Primary

On behalf of the staff, pupils, parents and governors of Courthouse Green School, I would like to warmly welcome you to our school. At Courthouse Green School we want all children to achieve the best that they can. We help all our children to work hard, achieve well and to be aspirant for their future.

We strive to deliver the best learning opportunities that we can for our children so that we can inspire in them a love of learning and a desire to achieve well. We hope that you and your child will get the best out of the opportunities that Courthouse Green has to offer. As parents, you are the first educators of your child and so we actively seek and value your contribution and commitment in working with us to give your child the best education that we can.

DOING OUR BEST TO BE OUR BEST

CORE VALUES

Because we want the best for each and every child we expect everyone in school to:

- Act with Kindness
- Work with pride
- Be resilient
- Collaborate together
- Strive to improve
- Take responsibility

In partnership with our families, we are committed to ensure that all our children feel included and valued in all aspects of school life so that they are excited and inspired about their learning and are determined to succeed.

"THE QUALITY OF TEACHING
IS EXTREMELY GOOD. MY
YOUNGEST DAUGHTER IS

VISION

Every child in our school will receive the very best learning opportunities to enable them to achieve excellent personal and academic growth through a rich and challenging curriculum.

PRINCIPLES FOR LEARNING

The children at Courthouse Green deserve the very best learning experiences that excite them and develop an ongoing desire to learn and a confidence to succeed even when learning is challenging. Through this high quality education our children will be inspired to aim high and be ambitious to achieve well in all they do.

We have high expectations for ourselves and our pupils, we encourage everyone to believe in themselves through having an ambitious vision which expects everyone to achieve their very best and which is shared by all. We are a happy, inclusive, supportive, nurturing and understanding school community.

Our curriculum is rich and exciting, providing the children with opportunities to talk and discuss with confidence their views on the world in which they live and how to improve it. Through this they develop tolerance, respect and a good understanding of the benefits of democracy and law and the impact they have on the society in which they live.

Children will be partners in their learning, taking an active role and talking with confidence about the progress they are making and how to improve it. Through all learning opportunities we develop in children a growth mindset; they understand that making mistakes is part of the learning process and develop a keenness to persevere and have the resilience to keep striving.

"YOUR PUPILS ARE YOUNG PEOPLE
OF TREMENDOUS POTENTIAL WHO
WORKED WITH GREAT FOCUS AND
DETERMINATION."

NICK BARKER, THE UNIVERSITY OF WARWICK
