Date: Friday 6th November Current School Attendance: 96.4%

Dear Parents and Carers

Welcome back to school after what I hope was a restful half term break.

Whilst I know that you, like me will have been sad to hear of the news of Mrs Tegerdine leaving Courthouse Green I can tell you that she is enjoying her new role as Acting Headteacher at Alderman's Green, especially getting to know the children. Today our Head Boy - Jaikarum and Head Girl - Lily Rose will lead our special virtual good bye assembly for her, sharing special messages of thanks and goodbye from the children and staff.

This week has seen the children settle back into learning I have been so impressed at how responsibly they have come back to school they have been incredibly friendly and polite. Whilst I know that this weeks lockdown news will have been a challenge for us all we are making sure that school is still a happy and buzzy place to be. Unfortunately the new guidance issued by the Government now means that after school sports activities have had to be cancelled so we have written to all parents concerned to inform them

Creating an Anti Racist school

This school year our priority is to work collaboratively together to ensure that our school is anti-racist. On the staff training day on Friday 23rd October we discussed how we are going to develop the curriculum so that it helps all of our children understand the importance of equality and equity and celebrate their diversity.

Keeping Safe in School

Following government guidance in school we need to ensure good ventilation in all classrooms so please ensure your child has a jumper in school and they may want to wear a vest or thin plain t shirt under their uniform so that they stay warm.

Thank you to parents for wearing a mask when dropping off and collecting from school. This is helping keep us all safe at school.

PE KITS

As the children are outside for PE lessons at the moment please ensure that they have a pair of joggers / leggings to wear and a spare hoody to put on to keep them warm. We also suggest that they wear trainers rather than pumps.

Children in Need

Next Friday is children in need. We will be doing special activities in school to learn about the charity and the work it does as well as challenges following the theme "5 to Thrive". We will take lots of pictures to share with you on the next newsletter. If you are able to donate 50p we will collect them on the day at each of the school gates. It will be great to all support this fantastic charity. Children should come to school wearing sports clothes and trainers.

Remembrance Day

On 11th November we will be having a special Remembrance Day assembly in classes and holding a 1 minute silence. The children will learn about the significance and importance of Remembrance Day in their classes.

If you wish your child to buy a poppy we are selling them for 30p in school, these will be available from Monday.

Attendance

Our whole school attendance **96.4%** Please help us to keep improving our whole school attendance. It is really important that children have good attendance and arrive on time to keep up with their learning.

Reporting Absence

Remember if your child is off school you must report their absence as early as possible Please give a clear reason that they will not be in school eg. Vomiting, high temperature rather than unwell. If your child has any of the coronavirus symptoms you will need to book a test for them and remain at home until you have the results.

Reading Books

Can we please remind parents to send their child in with their reading books on a Friday, so we can quarantine them over the weekend, to then send out new ones on the Monday.

You can also use the Collins Reading app too.

Please remember to read 3 times a week with your child.

Nasal Flu Spray

If you have not already received an email about the Nasal Flu Sprays, please contact the school office. The sprays will be done on **Wednesday 18th November**.
