<p>Background:</p> <p>I have lived in Coventry for 13 years. I have been working in the Technology and IT Industry for 15 years and I have experience in Manufacturing and Retail.</p>
<p>Relevant experience</p> <p>I work as an Associate Manager for an IT Consulting Firm. My role involves helping our clients move from Legacy Business Applications to the New IT Business Applications with minimal impact to clients and its customers.</p> <p>My children attend the school and I try to bring my professional and parenting experience onboard to help the school achieve the defined targets.</p>
<p>All about me</p> <p>I am a working family man, busy both with family and work. In my spare time, i like to read about new technologies and spend quality time with my family.</p>
