### The Tudors: The Greatest Impactors?

#### What I will come to learn and be able to explain:

#### What I already know:

- How previous civilisations have farmed their lands and built their settlements
- How religion was important to different civilisations and the fact that there are differences and similarities with the religions.
- That key leaders of groups of people have significant impact on how civilisations develop.

#### Questions to consider:

How do we learn about the past?

How reliable are primary and secondary sources?

- There were six Tudor monarchs who ruled England from 1485 to 1603. Henry VIII & his daughter Elizabeth I were the greatest impactors of change on England's social and economical landscape.
