Welcome back! Our first news article is about our exciting conversion to Triumph Academy. We wanted to get YOUR views on conversion and at the end of this session your teacher will write them up and send them back to the head-teacher so that she can take into account your views about this exciting change. Look at the information on the next pages and then feedback your views.

Will the school name or uniform change?

No. We are Courthouse Green Primary School and will proudly keep our name and the current uniform. We will refer to our membership in the 'Triumph Trust' though.

Will we still have the same teachers we know and love?

Yes, you will still be taught by the best and most dedicated teachers around!

Will our lessons change?

**No, you will still receive
the same AMAZING and
FUN sessions you get
everyday!**

What will change?

How we are funded. We get our money to pay for teachers and resources from the Coventry Council at the moment but soon we will get it straight from the government itself. So not much change really.....

- Now feed back to your teacher...
