## Happening in Courthouse Green

We have had almost half an academic years worth of PSHCE and today we will take some time to reflect on what we have learnt. In particular we are interested in what you have learnt in your personalised PSHCE, known to you as Thrive.

PSHCE (Personal, Social, Health, Citizenship and Economic) education is one of the MOST important subjects we have in school. Through it you should develop the knowledge, skills and attributes you need to manage your life now at Courthouse Green and in the future.

These skills and attributes will help you stay healthy, safe and prepare you for life and work in modern Britain.

### Questions:

- What does PSHCE stand for?
- Why is it important?
- What topics have you already covered in PSHCE?
- What topics have you covered in Thrive?
- Can you recite your class Thrive aim to your partner?
- Where could you find your Thrive aim in your classroom?

Let's help every child  
**thrive**

A colorful graphic of a stylized plant or flower with multiple colors (red, orange, yellow, green, blue, purple) radiating from a central point, positioned to the right of the word 'thrive'.

### Happening in Courthouse Green

In pairs answer the following questions in red.  
After each question your teacher will stop you and allow you to feedback. The allotted blogger from each class will blog your feedback.

**What have you learnt in Thrive?  
How will it help you to better manage your life?**

**Share one important lesson you have learnt in PSHCE so far this year.**
