

Autumn 2020

We are really pleased at how well the children have settled into year 3! It's fantastic to see their smiling faces and they have all got used to new routines beautifully. This term our focus our Geography focus called 'All Around The World'. We will be exploring Europe first and using maps to locate countries and oceans. We will be explaining how a place has changed over time using satellite images of areas. We will describe human and physical features.

## Maths!

We will be securing our previous skills on place value and multiplication. Every morning we will have a maths 'Early Bird' activity, to get everyone in the mood for learning! We will be re visiting our 2s, 5s and 10s times tables and then later in the term moving onto to our 3s and 4s times table. If you are able to support the children with their multiplication facts, it would greatly benefit them. As we are trying to improve our maths skills, one

website you can try is ...

<http://www.topmarks.co.uk/maths-games/7-11-years/times-tables>

Also don't forget to practice on Times Tables rockstars!

## Literacy

We are learning to use connectives to join our ideas; using prepositions; beginning to write and punctuate sentences with noun phrases and using a range of descriptive words.

We will be reading 'This moose belongs to me' and writing persuasive letters and also writing the same story but with an alternative ending.

To help us get better at using our spelling and grammar rules.

## Home Learning

Homework will be uploaded on Fridays to be completed by the following Wednesday. To set up your home learning class your child will need to log into Showbie, which is their on-line class instead of SeeSaw. On the school website, there is a video that will explain how to log in and a code will be sent out (by text) for your child's home learning class. The home learning class has folders where your child's home learning is. There is a weekly maths, weekly spelling and a theme folder. The theme will be an on-going half termly project. There will be a choice of three activities. You can choose one or all three! Please make sure you hear your child read at least three times a week. Your child will bring home a book on Mondays and return it on Fridays.

**PSHCE focus:**  
Healthy lifestyles!

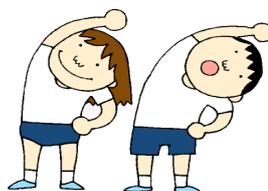

## Reminders

Times tables and spellings should be practised regularly.

**PE is on a Tuesday and Thursday.**

t-shirt, plain shorts and pumps.

A pair of jogging bottoms/leggings are required for when we are outside. PE kits need to come into school on Monday and go home every Friday, so they can be washed.

**REMEMBER**  
If you're sending grapes in with your child, so they can have a playtime snack, they need to be halved please.

## Year 3

Miss Chauli, Miss Barratt, Mrs Dass, Miss Farley-Wood and Ms Cavangh
